RE: ScoreCard Rewards Program Termination

Dear Autotruck VISA Credit Card Holder:

In late April 2023, Autotruck will be implementing several exciting enhancements to our VISA Credit Card program. We look forward to sharing much more about those enhancements with you in the coming weeks! In the meantime though, we do need to convey some important information regarding the ScoreCard Rewards Program in which you currently participate.

The Visa ScoreCard Rewards Program is ending.

- 1. You will stop earning ScoreCard Rewards points on March 31, 2023.**
- 2. In order to avoid forfeiting any accumulated ScoreCard Rewards points, you MUST redeem them by May 31, 2023.**

You can redeem ScoreCard Rewards points by visiting your account online at our website with Online Access, or go to www.scorecardrewards.com, or call 800-854-0790.

Watch for additional information in the coming weeks regarding our new Visa credit card options set to launch in late April 2023, including the opportunity to participate in an all-new Rewards program. It's important to note, though, that your ScoreCard Rewards points are **NOT TRANSFERRABLE** to the new program. **They must be redeemed by May 31, 2023, or they will be forfeited.**

At Autotruck we are always looking for ways to save members money and make your lives easier. The new VISA Credit Card program will offer great features with three new card options for members. Watch for more details on the new offerings coming soon.

If you have any questions, please give us a call at 800-459-2328.

Sincerely,
Autotruck Visa Program
