Choose E-Statements And We'll Give You \$5

Getting \$5 for just for signing up for E-Statements is easy money. All you need to do is log into your account with Online Access on our web site and select E-Statements from the top navigation. Then select Enroll Now. That's it and you are \$5 richer.

- Get \$5 when you sign up
- Faster than paper statements
- Conveniently archived for more than 12 months so you can view past statements without digging through piles of paper
- More secure than paper statements that arrive by mail
- Environmentally-friendly

And while getting \$5 is a great deal, there are other reasons that make choosing E-Statements a smart decision. It's the safest and fastest way to get your statement each month. No more waiting on the mail, or worry that your private account information might be stolen from your mailbox.

According to an article on aarp.org, while the vast majority of mail sent through the U.S. Postal Service arrives without incident, mail theft and mail carrier robberies are a growing problem around the U.S. In 2021, there were 33,000 reports of incidents involving mail carrier robberies and mail theft, up from 24,000 in 2019.

When you choose E-Statements you will receive an email around the second day of the month letting you know your statement is available. Then you can view it and print it anytime 24/7, when it's convenient for you.

E-Statements also mean less paper and postage to mail them and that saves trees and money.

Bottom line is that choosing E-Statements is a smart thing to do.
