

## **Ford has decided NOT to stop your payroll deduction**

We would like to apologize for all of the confusion regarding Ford's payroll deduction to Autotruck Financial Credit Union. As you are aware, in a letter dated June 1, 2018 Ford Motor Company announced its decision to stop sending funds by payroll deduction to the credit union. In a letter dated June 27, 2018, Ford Motor Company reversed that decision to stop payroll deduction.

**Your previously set up payroll deductions from Ford will continue every Friday.**

### **What does this mean?**

If you had completed a form to replace the payroll deductions, those new transfers were set to begin shortly. With Ford's new announcement, Autotruck will not begin this new transfer and will continue with your current existing payroll deductions.
